CURRENTLY RESIDES: Kennewick, WA

FULL NAME: Brody James Jackson

AGE: 27

HEIGHT: 6'4"

HAIR COLOR: Dark, full and rich

PHYSICAL DETAILS: Tall, in prime physical condition. He is handsome with a square jaw and chin and a smile that can be charming. He smirks a lot and saves his genuine smile for the people he really cares about. When he walks in a room, people notice.

OCCUPATION: Wide-receiver for an arena football team

PARENTS: Just his mom, Angelina

HOBBIES: Working with youth. He loves kids and plans to teach when he's ready to retire from football.

ATTITUDE OR BEHAVIORS: Focused. Intense. Determined. He can be an arrogant jerk if the mood strikes. He has no intention of ever getting involved with a woman - then he looks up at the 20-Yard line and sees Haven. He knows what he wants and will do whatever it takes to get it.

FAVORITE FOODS: Anything homemade (and sweet), especially chocolate cream pie.

OTHER TIDBITS: *In his uniform, Brody appeared to be ten feet tall and sinfully handsome. His jet-black hair was tousled and sweaty, but thick. His chiseled jaw ended with a firm, ridiculously square chin. Sensuously full lips and dark brown eyes added to his appeal, as did his deep, gravelly voice.*
