Although she's certain it will never happen, she secretly dreams of falling in love and having a family of her own.

FAVORITE FOODS: No question or doubt about it - chocolate!

OTHER TIDBITS: *Lars tipped his hat and smiled at the pretty girl who looked at him with a mixture of awe and humor. Her mellow, smooth voice sounded oddly familiar, although he thought he would have remembered meeting the brown-haired beauty. Suddenly, he recalled the soiled dove who'd tossed peanuts at him the other night.*
