CURRENTLY RESIDES: Kennewick, WA

FULL NAME: Kaley Catherine Cordova Peters

AGE: 28

HEIGHT: 5'9"

HAIR COLOR: Dark Brown, wavy and long

EYE COLOR: Pale blue - the color of a winter sky

PHYSICAL DETAILS: Thick, dark lashes framed those marvelous eyes and a soft, alluring fragrance floated around him, throwing his reeling senses into a tailspin. Astonished to see a woman at the door, Cort found himself further distracted by her height and loveliness. A long braid fell down her back, but wayward dark brown tendrils floated around the silky skin of her face.

OCCUPATION: Rancher

HOBBIES: Loves crafts of all kinds, especially sewing and painting. She also enjoys cooking and baking.

ATTITUDE OR BEHAVIORS: Incredibly independent but lacking in self-worth. She's a dedicated and loving mother to her little boy, Jacob, but she doesn't trust easily and keeps most people at arm's length.

FAVORITE FOODS: Pasta, spicy tea, and fresh produce.

OTHER TIDBITS: *The blouse she wore highlighted her delicious curves while her form-fitting jeans made him glad she was single. The sight of all her glorious dark hair falling in a wild tumble around her shoulders made him wish he had the right to bury his hands in the wavy tresses.*
