## Ian MacGregor

MATT BARR

BOOK: Thimbles and Thistles

BORN: Boston

CURRENTLY RESIDES: Baker City, Oregon

FULL NAME: Ian Angus MacGregor

NICKNAME: Mac

AGE: 30

HEIGHT: 6'3"

HAIR COLOR: Dark Blond

EYE COLOR: Sapphire Blue

PHYSICAL DETAILS: *Maggie took note of the sunlight glinting off his hatless blond head. He wore his hair longer than she deemed proper and more often than not, it appeared tousled and wild, rather like the man himself. Broad shoulders looked like they could carry the weight of the world. Forearms corded with muscles drew her attention as he stopped the wagon beside her. Brilliant blue eyes twinkled with humor as he leaned forward and rested an arm on his upraised knee.*

OCCUPATION: Lumberyard / Mill Owner

PARENTS: Alive and well in Boston

HOBBIES: Hunting, helping his friends, building things out of his wood.

ATTITUDE OR BEHAVIORS: Easygoing, fun-loving, friendly... and very persistent.

FAVORITE FOODS: A good piece of beef or hot bread right from the oven.

OTHER TIDBITS: *The man's Scottish brogue unsettled her, in particular when the letter "R" rolled off his tongue with a delightful burr. The hair on the back of her neck stood at attention, as if eagerly awaiting the sound of his voice, while her knees wobbled. His effect on her only infuriated her further.*
