Grant Hill

Jensen Ackles

Book: Lacy

Born: Philadelphia

Currently Resides: Pendleton, Oregon

Full Name: Grant Harrison Hill

Age: 30

Height: 6'0"

Hair Color: Light brown, thick and rich

Eye Color: Hazel - but full of life and depth and warmth

Physical Details: Hazel eyes rimmed with dark lashes had looked at her so intently, she was sure he peered right into her soul. When he removed the hat, his short, tousled brown hair made her fingers itch to run through it. Grant Hill looked far too rugged for someone who spent hours every day sitting behind a desk. She wondered what he did in his spare time to develop such a firm chest and strong arms.

Occupation: Banker

Siblings: Maude, Agnes, Eleanor (all older)

Hobbies: Enjoys working outdoors when he can. Likes to ride his horse, Drew, and help out his friends. He enjoys reading and serves on several community committees.

Attitude or Behaviors: Friendly, open, dependable and trustworthy. Grant can be a tease, but also has a serious, sensitive side (thanks to growing up with his sisters). He works hard, values his friends, and enjoys life.

Favorite Foods:Italian and anything he didn't have to cook

Other Tidbits: Drawn to his kind hazel eyes, she liked the way they crinkled at the corner, as if he spent much of his time either laughing or gazing into the sun. Despite his incredibly attractive features, like a firm jaw and full lips, Grant's face held a certain amount of ruggedness Lacy found inordinately alluring.
