FULL NAME: Millicent Anne Matlock

AGE: 24

HEIGHT: 5'4"

HAIR COLOR: Black - like midnight, thick and wavy

EYE COLOR: Pale Blue, resembling a frosty winter sky

PHYSICAL DETAILS: Creamy skin, rosy lips, and a fragrance that put him in mind of spring flowers. Eyes as pale as the winter sky gazed at him, rimmed with lashes every bit as dark as her hair, making him wonder how hard he'd have to work to bring a spark of fire to them.

OCCUPATION: Manager of the Pendleton Telephone Office

SIBLINGS: None

HOBBIES: Enjoys embroidery work. Likes to sew her own clothes.

ATTITUDE OR BEHAVIORS: Effervescent, efficient, fun but professional. She isn't afraid to state her opinions or offer a hand to someone in need.

FAVORITE FOODS: Sweets (particularly those Gideon makes).

OTHER TIDBITS: Porcelain skin made him want to reach out and trace his fingers along her heart-shaped face. Lips the color of luscious berries stirred his curiosity, wondering if they'd taste every bit as sweet. Rich black hair left him longing to remove her hat and hairpins and bury his hands in the thick tresses. The lingering hint of her soft floral fragrance caused him to breathe deeply, inhaling her scent and a lungful of arctic air that caused him to cough and wheeze.
